

NU-HIDE® Plastic Polish

DESCRIPTION

NU-HIDE shines and protects leather, vinyl, rubber, chrome, stainless steel and Formica™. Protects against cracks, hardening, rot or dulling from sun, ozone and smog. NU-HIDE creates an elegant, smooth, static free wet look surface that resists water, dust, dirt and other soils. Leaves surfaces oil free and resistant to scuffs and fingerprints.

PRODUCT FEATURES / BENEFITS

- Multiple use / For use on plastics, including Plexiglas™, vinyl, wood laminates, rubber, leather, brass, chrome, stainless steel and most other non-woven materials
- Shines, restores, and protects surfaces / Imparts a deep luster while protecting against drying, fading, and cracking caused by sun, ozone, and smog
- Dissipates static charge / Actually retards the attraction of dust and other airborne soils
- Safe to use / Safe for virtually any non-woven material and to operations personnel
- Retards fingerprints and re-soiling / Saves time and labor by prolonging times between re-cleaning

DIRECTIONS FOR USE

Penetrates into plastic, vinyl, wood, laminates, rubber, leather and other resilient surfaces to give them new lustrous beauty and a longer product life. Shines and protects chrome, brass, stainless steel, copper, aluminum, and painted surfaces. Protects against cracks, hardening, rot or dulling from sun, ozone and smog. Creates an elegant, smooth, static-free, wet-look surface that resists water, dust, dirt and other soils. Surface is left completely

free of oily films that smear, scuff or finger mark. Actually reduces surface tension so that nothing adheres to treated surfaces and re-soiling is eliminated. Safe on all surfaces that will tolerate water. Non-toxic and non-flammable. Clean surface to be treated. Spray or wipe a uniform coat on the clean surface and allow to thoroughly dry. Buff to a beautiful, deep gloss finish. For maximum protection and beauty use three applications.

SPECIFICATIONS

Color White, Opaque
 Odor None
 pH 8 ± 0.5
 High Temp. Stability (°F)..... > 160
 Low Temp. Stability (°F)..... < 32

Freeze-Thaw Stable 2 Cycles
 Specific Gravity (gr/cc) 0.9910 ± .005
 Density (lbs/gal) 8.25 ± .04
 Flash Point None
 Shelf Life 1 year minimum in original unopened container

SAFETY INFORMATION

CAUTION: MAY BE HARMFUL IF SWALLOWED. MAY CAUSE MINOR EYE IRRITATION. KEEP OUT OF REACH OF CHILDREN. Avoid contact with eyes. Do not ingest. If ingested may cause diarrhea.

FIRST AID: For Eyes: Flush thoroughly with water for at least fifteen minutes. If irritation persists seek medical attention. **For Skin:** Flush skin thoroughly with water. If irritation persists seek

medical attention. **If ingested:** Treat for diarrhea. Seek medical attention. Never give anything by mouth to an unconscious person.

Authorized by USDA for use in federally inspected meat and poultry plants
